

TOWN OF GUILFORD
BID #9-1718
CONSTRUCTION OF CONCRETE SIDEWALKS
FEBRUARY 21, 2018
ADDENDUM #1

1. **Inquiry: A potential bidder asked:** “Can you provide the bid results of the previous sidewalk contract?”

Response: Please see the attachment for the bid results from the previous sidewalk bid.

2. **Inquiry: A potential bidder asked:** “Do you happen to have a start date for construction regarding the Construction of Concrete Sidewalks project?”

Response: This is primarily a maintenance contract. The Town’s sidewalks will be surveyed in late spring for a physical assessment, a list of walks will be prioritized and then a work order issued to the contractor. Start date is approximately June 1st.

3. **Inquiry: A potential bidder asked:** “Are there estimated quantities for bid items 1-4 on the bid sheet?”

Response: No, as previously noted this is primarily a maintenance contract.

4. **Inquiry: A potential bidder asked:** “Do you have a list of locations for the proposed work?”

Response: See answer number 2.

5. **Inquiry: A potential bidder asked:** “For item 4 on the bid sheet – resetting granite curb – the sheet indicated a square foot unit price. Is that correct? Or should the unit price be in linear feet?”

Response: Both Items 3 & 4 should be bid on a lineal foot basis.

6. **Inquiry: A potential bidder asked:** “For item 4 on the bid sheet – hourly rate for labor – do you want all categories of labor? For example, supervisor, operators, drivers etc.?”

Response: No. This item is for non-contract labor incidental to complete the sidewalk construction.

7. **Inquiry: A potential bidder asked:** “Is there a home town preference clause for resident contractors?”

Response: No.
