

Appendix H. Technical Resources

This is not an exhaustive list, but rather a selective list of what is available online.

Community Resource Inventory Online (CRI)

<http://clear.uconn.edu/projects/cri/index.htm>

The NEMO Program's Tools and Resources

<http://nemo.uconn.edu/tools/publications.htm>

UConn Clear website

<http://clear.uconn.edu/>

aerials and other maps

<http://map.live.com>

Bedrock geology by quadrangle

<http://www.tmsc.org/geology/bedrock/quadlist.htm>

Soils maps (in addition to the CRI)

<http://websoilsurvey.nrcs.usda.gov/app/>

University of Connecticut Cooperative Extension Forestry

<http://www.canr.uconn.edu/ces/forest/>

Invasive plant species (includes Connecticut Invasive Plant List and fact sheets)

<http://www.hort.uconn.edu/CIPWG/>

Aquatic nuisance species

<http://www.seagrant.uconn.edu/ans.htm>

Connecticut Botanical Society

<http://www.ct-botanical-society.org/>

Connecticut Audubon Society

<http://www.ctaudubon.org/>

Connecticut Master Gardeners

<http://www.ctmga.org/>

Managing Grasslands, Shrubland and Young Forest for Wildlife

A guide for the Northeast 2006

http://www.wildlife.state.nh.us/Wildlife/Northeast_Hab_Mgt_Guide.htm

Wetlands of Connecticut

PDF will be available soon through the CT DEP website

Appendix G. Funding

This is not an exhaustive list, rather several potential source of funding.

NRCS (Natural Resources Conservation Service)

<http://www.ct.nrcs.usda.gov/>

WHIP (Wildlife Habitat Incentive Program) cost share agreements

<http://www.nrcs.usda.gov/programs/whip/>

Long Island Sound Study Futures Fund (habitat restoration)

<http://www.nfwf.org/>

Land Trust Alliance

<http://www.lta.org/resources/index.html>

Long Island Sound License Plate Fund

<http://www.ct.gov/dep/cwp/view.asp?A=2705&Q=323786>

NU Community Investment Grants

<http://www.cl-p.com/community/partners/cinvest.asp>

National Fish and Wildlife Foundation

<http://www.nfwf.org/AM/Template.cfm?Section=Grants>

Check into local and regional funding sources:

Town funds (through the Conservation Commission budget, special project funding, or etc.)

Local or regional foundation

What should we do to encourage bird or small mammal populations?
