Chairman, Chris Hodgson reviewed the 2018-2019 budget for advertising. The available funding is \$2,000.00.

Evan Vericker showed the website he built for the GLGC and reviewed the items on his proposal and how that can be paired down to fit the \$2,000.00 budget.

The proposed budget of \$500/month for 4 months beginning April – July would include Facebook ads 3-5 times a week which include hashtags, maintenance of the Facebook page of the GLGC and the revised website and real-time maintenance of that website.

**Motion** made by Robert Cuzzo, seconded by Steve Berry and was unanimous to engage Digital Progress Media for 4 months @ \$500.00 monthly provided we can find the funds in the current year's budget.
