The meeting was called to order by Chairman Campaigne at 5:15pm. The Committee discussed the proposed Open Space Subdivision Regulation dated, 11/9/15. Several changes were made (see attached final draft). A motion was made by Wallace and seconded by Green to approve the final draft and forward it to the Planning and Zoning Commission. This was unanimously approved.

The Chair directed the committee attention to the Guilford Community Coastal Resilience Plan. The next project for the committee is to work on the regulatory changes recommended in the Plan, particularly noted in Chapter 5. The Chair asked the members to review this material for the next meeting, particularly focusing on priorities. At 6:30, the meeting was adjourned.

The next meeting of the committee will be by December 8, at 5:15.

Respectfully submitted;
