**ADDENDUM 2**  
**Bid# 10-1617 30,000 Underground Water Storage Tank**  
**And/or Installation**  
**Wednesday November 9, 2016**

- 1. Inquiry:** A potential bidder asked: “Are testing boring results of the site available for review prior to bidding time?”  
**Response:** No, there are no testing results at this time.
- 2. Inquiry:** A potential bidder asked: “Are permit fees waived?”  
**Response:** Since this is a Town project, no permits will need to be applied for; therefore there will be no fees.
- 3. Inquiry:** A potential bidder asked: “Is there a plan showing where the storage tank is to be installed?”  
**Response:** No, there is no drawing.
- 4. Inquiry:** A potential bidder asked: “Will we need to include a license Surveyor to establish control, layout, and a complete final survey?”  
**Response:** No.
- 5. Inquiry:** A potential bidder asked: “Is there a geo-tech report available?”  
**Response:** No.
- 6. Inquiry:** A potential bidder asked: “What quantities are we to include for boulder-cobbles and ledge removal?”  
**Response:** We defer to the bidder to determine this.
- 7. Inquiry:** A potential bidder asked: “What method of dewatering, disp. and quantities will be anticipated/required?”  
**Response:** We defer to the bidder to determine this.
- 8. Inquiry:** A potential bidder asked: “What method of shoring will be required?”  
**Response:** We defer to the bidder to determine this.
